Public Briefing:

Midway Limited is certified to the following FSC (Forest Stewardship Council) standards:

- FSC Standard for Chain of Custody Certification (FSC-STD-40-004); and
- FSC Standard for Company Evaluation of FSC Controlled Wood (FSC-STD-40-005).

Midway Limited purchase plantation wood from a number of districts in Victoria. Wood is purchased from both FSC certified suppliers and non-FSC certified suppliers.

In accordance with FSC's Controlled Wood standard, Midway Limited is conducting an Annex 3 verification program on all its non-FSC certified wood supply included in the FSC program.

The Annex 3 process examines the measures applied to protect High Conservation Values (HCVs) known or likely to be present in forest areas where Midway's has purchased wood.

Midway has sourced non-FSC certified plantation wood from several districts in the past 12 months, including Otways, Ballarat and Green Triangle in Victoria.

Field audits are conducted as part of the audit process. Midway has assigned 2 auditors to conduct field inspections in the months of October and November 2014 to assess compliance to key HCV criteria.

Local stakeholders (eg. property neighbours) are contacted as part of the field audits to discuss any stakeholder issues or concerns.

We invite interested stakeholders to offer comment or feedback by the 01/12/2014.
